ADDENDUM #3 TO
MONTANA DEPARTMENT OF TRANSPORTATION
INVITATION FOR BID
#HWY-309444-RP

The purpose of this addendum is for the cancellation of the 21-Passenger Cutaway Transit Buses bid.

After consulting with several bus manufacturers; it has been determined that vehicle specifications exceed the GVW chassis tolerances. It has been determined that a heavier vehicle chassis is needed for a bus body of this nature.

A new Invitation for Bid will be posted with a larger chassis GVW and floor plan. All vendors will automatically receive a notice for the new Invitation for Bid.

MDT attempts to provide accommodations for any known disability that may interfere with a person participating in any service, program or activity of the Department.
